

Reciprocal Policy of CFB Trenton Yacht Club

A visitor from a club that has a current reciprocal agreement will generally be offered a discount equivalent to what their club has offered our membership, with some limits. This normally includes one night free stay with additional nights at our non-reciprocal rates. Guests, intending to make use of reciprocals should fly their Club Burgee, and will be required to produce a current membership card. Visitors taking advantage of a free night may do so **once every 30 Calendar days**. Requests for long term rates and availability can be submitted in advance to the Manager by email at cfbtrentonyc@cfbtrenton.com.
