1. Constitution Amendments Proposals

- a. Add "Volunteer Coordinator" to Para 18 Elected Club Officers
- b. Change SAGM from April to March in order to pass the Budget before the end of Fiscal year

2. Bi-Laws Amendments Proposals

a. LOA definition

- i. The maximum length over all (LOA) for any vessel shall not exceed 36 feet length. All current vessels with their current owners are grandfathered from this restriction. The LOA shall be measured from the foremost part of the stem to the aftermost part of the stern, including any fixed projections extending beyond the stem and stern. Two LOAs will be recorded on club member's application for approval and fee calculation, a dockage/mooring LOA and winter storage LOA. It is the member's responsibility to ensure the accuracy of these measurements and to seek approval from the Flag before increasing their boat's LOA during the season, by the addition of any items such as anchors, davits, swim platforms, solar panels, etc.,. As well as updating their application after approval from the Flag. Failure to do so will be considered poor conduct and may result in additional fees and /or expulsion from the club.

Note: The dockage/mooring LOA is measured as the boat is while docked or moored. Any removable or foldable items SHALL be in their measured configuration (removed or folded) at all times while the boat is docked or moored at the Club.

Note: The winter storage LOA is measured as the boat is stored at the club. Any removable or foldable items SHALL be in their measured configuration (removed or folded) while the boat is stored.

Failure to keep a boat in its measured configuration while docked/moored or in winter storage will be considered poor conduct and may result in additional fees and/or expulsion from the club.
