

Canadian Power & Sail Squadrons
TRAINING IN RECREATIONAL BOATING

Escadrilles canadiennes de plaisance
FORMATION EN NAVIGATION DE PLAISANCE

RCAF Trenton Power and Sail Squadron

Canadian Power & Sail Squadrons is a nationwide non-profit volunteer organization of recreational boating enthusiasts with over 20,000 active members. We have been serving Canadian boaters for over 75 years. Our mission is to promote safe boating, mainly by teaching courses on seamanship, and navigation for both new and more experienced boaters. We also offer free on-the-water or trailer courtesy checks of required safety equipment, to make sure you meet Transport Canada rules.

RCAF Trenton Power and Sail Squadron is your local member squadron of Canadian Power and Sail Squadrons, and partners with the CFB Trenton Yacht Club, located at Baker Island. Our instructors help recreational boaters improve their boating safety knowledge, as well as their vessel handling and navigation skills.

CPS-ECP instructors are boaters too

All instructors and members who run or help in local Squadrons and Districts, are boaters and volunteers who take their responsibility seriously. Instructors in your community help recreational boaters improve their boating safety knowledge and operational skills.

We help people with boats become boaters.

Would you bet \$200?

That's the cost of a fine for not having the required safety equipment in good working order on your boat. Let CPS-ECP volunteers help you beat the odds.

We will check your boat for free... and if you have everything you need, you'll get a Safety Inspection Sticker*.

If you don't have everything... we will explain exactly what you should have on board so you can be sure to win that bet.

And once you are boating safely, you're not just saving \$200 – you could be saving your life.

You can find details of the courses we are running this winter on our web site at www.cps-ecp/RCAFTrenton, or go to www.BoatingCourses.ca. To find out more about our squadron, e-mail us at RCAFTrentonCPS@gmail.com and one of our Bridge members will contact you.
